## SILVER JUBILEE OF ST. MICHAEL'S CHURCH, STRATHMORE

Mr E. W. R. Lambert, first church-warden and organist of St. Michael's Church, not being in the best of health, we have to rely on his good friend Harry Wood for the layman's point of view.

"When first I arrived in Strathmore direct from the old land in 1909, the idea of oiling church floors was most distasteful to me, especially when this was done at week ends, and was not dry at the time of Services, so on Dominion Day of the following year, at 8 a.m. the Rev. J. G. Hathaway and I began making the kneeling benches, which are still in use by the Choir and Congregation.

The building of the first Rectory occupied every moment of my spare time during that summer, and the Barn was finished in the Fall. Later the Vestry acquired the lot adjoining the Church with its improvements, and with other willing helpers we moved the original Rectory onto the front of the Shaeck already there, and so made the present complete home for our Missionary.

No effort had been made to decorate the interior of the Church, although built over three years, so I approached the ladies of St. Michael's Guild in 1912, to provide the necessary materials, and this they did willingly. Again nobly assisted by Mr Hathaway, I spent the whole of my holidays, sizing and varnishing the walls, ceiling, choir stalls, and Communion Rail. The temperature being about 90 most of those days, be sure we felt anything but comfortable at the time."

Later the Rev. Canon G. Bathurst Hall came to us, and his first expression, was that ours was the plainest Anglican Church in Alberta, so, in the fall of that year (1913), we began making the Rood Screen which, by many was thought to be too high, but we, at least, thought to be the first step towards beautifying the Chancel. The East window came in for my attentions on many occasions both before and after the war, as the severe frosts made havoc with the decorations attempted at decoration time.

The Roll of Honour, which was my last piece of work before going overseas, was the gift of Mrs. Wood, her sister, Cecil Arnold and I. It is chiefly remembered by the fact that it was the means of 15 soldiers, then in Victoria Barracks being granted leave for three days to be present at its dedication by General Crick-shanks.

I had always felt that the appearance of the Communion Table was not in keeping with its sacred purpose, and it being quite impossible at the time to buy a better one, Mrs. Woods and I thought the Sanctuary could be made to look more worthy by the addition of a Reredos, and curtains for the east wall. We used our personal Lenten Offerings

to buy some of the material, and during the Lenten Season I began designing and making the Reredos. Thanks to a generous donation from friends at Nightingale, and, as usual, the kindly assistance of The Guild, I was able to complete the work in time for Easter 1924, when it was dedicated by the Rev. A. D. Carter, now Incumbent at Olds.

Before leaving Strathmore I had hoped to make both a new Lectern and a Font. But after coming to Calgary, that omission was partly remedied by the Junior Guild, and I well remember how we worked to finish and send it off in time for Dedication on Easter Day 1926.

I still have the Memorial Tablet which I made at the time of the dedication of the Canadian Legion, B. E. S. L., Memorial Hall at Strathmore, it was subsequently placed in St. Michael's Church, and I will try to have it renovated in time for the forthcoming 25th Anniversary.

## TEN WAYS OF KILLING AN ASSOCIATION

1—Don't come to the meetings.

2—If you do, come late.

3—If the weather is inclement, forget about the meeting.

4—If you attend, find fault with the work of the officers.

5—Never accept an office because it is easier to criticize.

6—Get angry if you are not appointed on a committee. If you are, not attend the meetings.

7—If the chairman asks your opinion regarding some problem, tell him you have nothing to say. After adjournment, tell everyone what should have been done.

8—Do nothing more than absolutely necessary. When other members roll up their sleeves and willingly use their ability to help matters along, howl that the organization is run by a clique.

9—Forget to pay dues, or hold back as long as possible.

10—Do not bother about new members. "Let George do it."

## LAMBERT'S CONTEST

Mrs. T. S. Wallace is visiting at the home of Miss Tina Glendinning for some time.

## TRAVELLERS IN SUNNY SOUTH

Mr. R. S. Stockton, who with Mrs. Stockton and his daughter Esther are making an extensive trip through Eastern Canada and the United States, in a recent letter gives the following interesting account of their trip: "We are far down in the sunny south, no sun but warm and pleasant, roses, poinsettias and palm trees, five oaks and magnolias grace the landscape. Writing of Charleston, South Carolina he states, "This is a very old town founded in 1670, the year the H. B. Co. was granted its charter. We are a block from St. Michael's Church built in 1752, having a clock installed in 1764. This place figured in colonial and civil war days, and we inspected a statue in honour of Jefferson, William Pitt, who gloriously exerted himself in defending the freedom of America, the true sons of England, by promoting the

## WEDDINGS

CRAIG - COLLISON  
The wedding of Miss August Collison and Mr. Stanley Craig was solemnized Thursday, Nov. 14th at the bride's home, Rev. A. M. Gilbert officiating.

The bride looked very winsome in a dainty gown of blue silk crepe. Only the immediate families of the wedding couple were present. Mrs. Wolfe, the bride's sister was matron of honor.

Following the ceremony a delicious dinner was served, the happy pair leaving later for Calgary, where they will reside.

Strathmore friends extend best wishes for a life of happiness.

## FORD CARS

An interesting and unique sight was given Strathmore citizens Wednesday, and all folk who live close along side the C. P. R. Railway when a complete train load of 50 cars, each carrying six large crates and each crate containing an up to date Ford V-8 car, passed through our town en route to Vancouver, thence the cars to be transferred to New Zealand. Each crate was marked with Ford insignias and proved a most interesting sight. Financially too it tells a big story. "This year, 1935, is the largest export year in the history of the Ford Motor Company of Canada Ltd., for by December 31st it is expected that total export shipments will exceed 48,000 units. Compared to previous years production in 1926 was the next best with 39,503 units. This export business is most important to Canada as Canadian content of labor and material in the Ford V-8 substantially exceeds that of any other make of car sold in Canada."

We saw the "Fords Go By" yesterday, but in other shipments a goodly number have stopped off in Strathmore.

The constantly growing popularity of the Ford Car speaks for itself.

## TOWN COUNCIL

Among the chief items discussed at the Council meeting on Tuesday night, were those of the new plan to relief administration, the charge to the Hockey Club for use of the rink for games this season, minimum school taxes, skating rink pump and repair of the fire pump and pump house.

Mayor Gardner was in the chair, with all councillors present.

The committee reported the plan for relief administration that has been drafted. This plan met with the approval of all councillors and will be forwarded to Edmonton for Govt. approval. A copy will be given to representatives upon application.

Mr. M. May was present, representing Hockey Club to make arrangements for the coming season. It was decided that the club pay 5% of gates and purchase 12 seasonal tickets, as was done last season.

Secy. Wears reported that min. school taxes have been pretty well all collected, with a couple of exceptions, which will be collected immediately or action will be taken.

The Council decided that rates for season tickets and admissions to the rink be left as before and that a big opening night shall be held. Mayor Gardner was appointed as supervisor of the rink for ensuing season.

Councillor Risdon reported the fire pump and pipe line have been repaired and are now in good working order.

Three or four applications for relief were reported and were approved of by the council.

The lumber from the lively barn will be sold at the rate of \$5. per thousand.

Secy. read monthly financial report, which was accepted by the Council.

Councillor Brown was appointed Deputy-Mayor for ensuing three months.

The meeting adjourned after review of accounts never presented and passed for payment.

## LOCALS

Special Convention of United Church of Canada will be held Tuesday and Wednesday, November 26 and 27 in Knox Church, Calgary. Interesting addresses given by several ministers, meetings for Y. P. and various organizations. A two days full program.

Wong Yee, proprietor of the H. P. Cafe, who was taken ill recently and had to be taken to a Calgary Hospital, has sufficiently recovered to be able to leave the hospital.

Elections in Calgary Wednesday returned Mayor Davidson again to the Mayorial Chair in a closely contested election with W. R. Herbert, S. C. The vote was very large and a tribute was paid to Mayor Davidson in re-electing him. He has been chief magistrate since 1930, at present it seems certain that 2 C. C. A. Councillors, 1 Labor and 1 Social Credit are elected.

## Pot Pourri

When Chu Po Yu reached his sixtieth year he changed his opinions. What he had previously regarded as right, he now came to regard as wrong. But who shall say whether the right of today may not be so wrong of the previous fifty-nine years.

Birth is not a beginning; death is not an end.

Let knowledge stop at the unknowable. That is perfection.

Perfect happiness is the absence of happiness.

A man who knows that he is a fool is not a great fool.

The men of this world all rejoice in others being like themselves, and object to others not being like themselves.

From the unknowable, we reach the known.

(These selections are taken from the "Musings of Chinese Mystic," they were written some eleven centuries before Christ.)

Oh Titian, this the power that taught your brush To give mute color such a glorious voice

That human language trembles to a hush Before your paintings? Dante, you the choice, Epitome of poet dreamers' dreams!

And Virgil songster of the ancient school! Ye men of Italy who drank from streams Humanely beautiful, deary this rule!

Lift up your voices for a weak, forlorn, Half-savage folk whose un-instructed way Seems wiser than the learning that has torn These hundred little children from their play With shouts of death! Restrain your country, call. Lest once again a hand write on the wall.

## CHRISTIAN SCIENCE

At last Christian Science Churches next Sunday, the subject of the Lesson-Sermon will be "Soul and Body." The following is one of the Scriptural quotations contained in the Lesson-Sermon: "Believe me that I am in the Father, and the Father in me; or else believe me for the very works' sake. Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father" (John 14:11,12). One of the correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is as follows (page 14): "Become conscious for a single moment that Life and intelligence are purely spiritual,—neither in nor of matter,—and the body will then utter no complaints. If suffering from a belief in sickness, you will find yourself suddenly well. Sorrow is turned into joy when the body is controlled by spiritual Life, Truth, and Love. Hence the hope of the promise Jesus bestows: 'He that believeth on me, the works

that I do shall he do also;—because I go unto my Father,—(because the Ego is absent from the body, and present with Truth and Love."

## NAMAKA

A quiet wedding was solemnized at Gleichen on Tuesday, November 20th, when Marguerite Anglin, oldest daughter of Mr and Mrs W. E. Anglin of Gleichen was united in marriage to Mr Ardell Peacock, only son of Mr and Mrs A. Peacock of Craigmyle, Rev. J. N. Wilkinson of the United Church performed the ceremony.

The Skating Club held quite an enthusiastic meeting during the week with an attendance of 12 members. Arrangements are under way for the opening of the rink.

Mr and Mrs Florence of Stanley, were week end guests at the home of Mr and Mrs Miller.

We are glad to report Mary Fawkes doing splendidly after her recent operation at the Winnipeg hospital.

The school children are now making preparations for the annual Xmas concert which always proves a real success.

### RECIPROCITY PACT

Without procrastinating, and with a forceful decision Premier King and President Roosevelt have signed the Reciprocal Trade Treaty, which is acclaimed by Canadians from coast to coast. That a lot of the preliminary work was accomplished by former Premier Bennett no one will deny.

Mr. King has however hastened the signature which puts the pact into force and action.

The Treaty opens broader markets for Canadian lumber, farm and dairy products, fish and live cattle, which latter forms the most important agricultural concession and many other products.

An Exchange says, "The generosity of concessions on both sides is heartening, and some of the difficulties which were imagined here not less than in the U. S. appear to have melted under the solvent of friendly discussion."

It is the dawn of better trade conditions and more friendly relationships between the two countries.

### MARK TWAIN'S WAR PRAYER

"O Lord our God, help us to tear their soldiers to bloody shreds with our shells; help us to cover their smiling fields with pale forms of the patriot dead; help us to drown the thunder of the guns with our won-derful writhing in pain; help us to lay waste their unoffending widows with unavailing grief; help us to turn them out rootless, with their little children to wander unfriended, through wastes of their desolated land in rags and hunger and thirst; sport of the sun, flames of the summer and the icy winds of winter, broken in spirit, worn with travel, imploring Thee for the refuge of the graves and denied it for our sakes, who adore Thee, Lord, blast their hopes, blight their lives, make heavy their step water their way with tears, stain the white snow with the blood of their wounded feet! We ask of One who is the spirit of love and who is the ever-faithful refuge and friend of all that are sore beset, and seek His aid with humble and contrite hearts. Grant our prayer, O Lord, and Thine shall be the praise and the honor and glory, now and ever. Amen."

### GLENCAIRN SCHOOL

On Wednesday, Nov. 13th the Glencairn School was the scene of an enjoyable evening of cards. The high scores at bridge were made by Clara Voight and Eddie Rison. The consolation prizes were awarded to Mrs. W.

### THE RESULTS OF THE BRITISH ELECTION WERE AS EXPECTED

(a) The so-called "National" Government has been returned with a large majority.

(b) The Labor Party, with an enlarged following, will be the official opposition.

As is usual after all elections we are now being enlightened by many interpretations of the result—each one being inspired by the special prejudice of the particular enlightener. The Conservative is "overjoyed to know that the English people have once again proved their innate sanity; the Socialist rejoices in the increased representation of the Labor Party and finds fault with "Mr. Baldwin's political unscrupulousness in stampeding England into an election with such short notice." As usual every brand of political "rightism" and "leftism" can find satisfaction in the results.

Whatever the result may mean to the future of the British Empire and to the World two things stand out clear. Mr. Baldwin has proved himself a master strategist in calling an election before the echoes of the King's Jubilee had died away and at the time that there is a car sen-—two factors which for the English electorate spell Conservatism.

The other thing which stands out clear and which seems to demand action on the part of an intelligent Democracy is one more proof that we have not truly a representative system. Approximately 11,000,000 votes elected 429 "National" Government Candidates, while approximately 9,800,000 votes elected 182 opposition Candidates.

Were the system really representative Mr. Baldwin would have 321 and the opposition 290 supporters. What has happened in England happened to a greater or less degree in every election throughout the British Empire. Have we not enough intelligence to remedy this anomaly or are we too indifferent?—Echo answers.

Eby and Egnar Peterson. Jean and Jack Groves won first prizes at Court Whist while consolations were given to Lillian Gade and Percy Jones.

The proceeds will go towards building a rink. The hockey club wish to thank everyone for their generous support.

Mrs. Wm. Eby is suffering severe pain as a result of a bad cold, sustained by dropping a hot coffee pot. She is confined to bed with Nurse Marchant in charge. We hope for a speedy recovery for her.

## GOVERNMENT LIQUOR CONTROL ACT OF ALBERTA

### APPLICATION FOR BEER LICENSE

**PUBLIC NOTICE** is hereby given that the undersigned intends applying to the Alberta Liquor Control Board for a license to sell beer by the glass or open bottle for consumption in conformity with the provisions of the Government Liquor Control Act of Alberta, and regulations made thereunder with respect to the following premises:

Beer Salesroom in the North-East corner of the ground floor of the King Edward Hotel, situated on Lots One (1) to Ten (10) inclusive, in Block One (1), Plan No. 4810-N, Strathmore, and the Beer Cellar thereunder, as shown on plans filed with the Alberta Liquor Control Board.

Dated at Strathmore, Alberta, this 14th day of November A. D. 1935.

**FLORENCE MILLER,** Applicant.  
**JOHN SPERROS,** Manager.

**WARNING TO RADIO LISTENERS**  
 OWNERS of unlicensed radio receiving sets are hereby warned that on and after 30th November, 1935, the Department of Marine will take steps to prosecute the owner or operator thereof.

Broadcast listeners who have not already procured their license for the current fiscal year are accordingly advised to obtain such licence immediately. The licence fee is \$2.00 per annum.

Licences may be procured from Post Offices in cities and larger towns, Departmental Radio Inspectors, Radio Dealers, and others authorized to issue on behalf of the Department, or from Radio Branch, Department of Marine, Ottawa, Ont.

By order  
**R. K. SMITH,**  
 Deputy Minister of Marine, Ottawa, Nov. 15, 1935.

### STRATHMORE TRAVELLERS

Continued from Page One  
 repeal of the stamp tax in the year 1767. The inscription on the statue which was erected in 1769 states, "Time shall sooner destroy his mark of their esteem than erase from the minds of men their just sense of his patriotic virtues." The crooked narrow streets and their three story buildings are as distinctive as those we so admired in Quebec. Our trip down from Richmond on the Atlantic coast line train followed the coastal plain, quite flat with yellow and red soil and much timber; second growth pine, oak, etc., with corn and tobacco fields. The hay was all neatly piled up around stakes to dry, like

one sees in B. C. We crossed seven or eight rivers, there are two great bridges here over to Ashley and Cooper rivers. Although the city has only a population of 62,000 it does considerable coast line traffic and has a fine harbour." The Stockton family intend to linger in the south for another week or more, going as far south as New Orleans before heading northward to sub-zero weathers and earthquakes.

### LOCALS

We hope Mrs. Ian McKenzie will soon recover from an attack of pneumonia, from which she is now suffering.

Curling is away to a good start this season with about 12 or 14 teams entered. The Ladies will also have a larger club than usual.
